

Management System Certificate

This certificate with registration number DGT271721432-01 has been issued for the Management System of:

Sowiso B.V.

Address: Science Park 301, 1098 XH at Amsterdam

Meets the requirements of the Information Security Management System standard:

ISO/IEC 27001:2022 + AMD1:2024

The Information Security Management System is applicable to the following: Information security related to the development and provisioning of SOWISO's e-learning solutions. Within this scope, we provide the following main activities and provide the following services to customers:

- The SOWISO platform and digital math courses, including our brands Bolster Academy, OMPTest and PassYourMath
- Custom software development
- Entrance / Placement tests for students

The following departments are in scope of this policy:

- Marketing & Sales
- Research & Development
- IT
- Customer service

SOWISO does not directly manage any data centres. Amazon Web Services and Google LLC are used as a provider of IT infrastructure.

The selection of mitigation measures are described in the Statement of Applicability version 1.1, dated 12 November 2024.

This certificate is valid from:
29 November 2024

Date first certificate:
14 December 2020

BY
